*If you are a healer or in need of healing then this is one of the best gifts you can give yourself.  
Here's your chance not only to witness miracles, perhaps experience one!*

**Dr. Sharon Forrest**, a healer since early childhood, blends healing and science with love and laughter. Sharon presents this remarkable Mind/Body Healing opportunity for those who are interested in experiencing the amazingly powerful CCMBA "Complete Cellular Mind Body Alignment & Activation" and the CCSMC "Complete Cellular Soul Memory Clearing", truly an electromagnetic phenomenon. Sharon, who has been teaching the CCMBA worldwide for 30+ years, and now the CCSMC, is still in awe of what takes place in each session and how powerful and yet simple it is. It is claimed by researchers to be the most powerful "Hands-On-Healing" Technique in the medical and spiritual fields today. ...And 'Yes'...

**You can learn how to do it in just a few hours!!**

Experience the Law of Grace, which takes precedence over the Law of Karma. The CCMBA Energy, works with the Higher Self on the individual's issues no matter what they are and gets results! Evidently, the Energy targets the problem wherever it exists and works on all levels...mental, physical, emotional and spiritual. Some will release deep-seated emotional and physical trauma...others will realign...some have chronic back/neck pain and/or scoliosis, which totally disappears...still others will release toxins and poisons from their system...others will have a Divine spiritual awakening...others are energized...some will let go of non-desirable habits...some increase healing abilities...and still otherse will gain a totally new outlook on life. What will be your experience? Come and find out! There are several benefits from doing CCMBA and CCSMC often. Each time you experience the CCMBA and CCSMC you will work on something different and you will experience something different, often on higher, deeper, more profound levels.
