

Come help us celebrate our **Christmas Festivities** with us!

In the High Andes of Peru ~ December 21st – 27th. Our 7th Christmas Celebration for the ‘children of the street’ and the underprivileged. We started with 450 people the 1st year. Word spreads! Last year 5400 came! Some children walk for days, sleeping on the ground at night to get the only gifts they will receive. This year we are expecting 6000. As long as supplies last we give each a small gift, school supplies, clothes, hot chocolate, special breads and a good time. Their appreciation and delight are heartwarming!

They love to dance

Over 2000 balls were distributed

No! It's mine!!

I LOVE my car!!

Girls squirming with delight

The “children” are an immense treasure, only to be uncovered by kindness. They are our teachers.
