

Oakville, Ontario - Feb. 20th. 7pm - Free Lecture

“Above and Beyond the Cutting Edge in Reversing Diseases”

"Since the beginning of time there has never been a disease that, somewhere, somehow, someone did not heal. Can what they did work for you, a loved one or client? Is there any reason it should not?" - Dr. Sharon Forrest

A unique presentation on the latest breakthroughs in holistic based medicine, psychoneuroimmunology, Quantum Physics, Neuroscience and Spiritual Psychology will be given by Dr. Sharon Forrest, a leading experts in the field of reversing diseases.

Health professionals, people interested in the leading edge of alternative health care and/or spiritual psychology, and frustrated patients should take advantage of this opportunity to learn about the latest, exciting developments in health care.

If you work with, have, or know someone who has a chronic illness that has been unaffected by all traditional medical treatments, this informative presentation is for you.

Dr. Sharon Forrest, Founder and Director of *Healthways International*, has co-founded two hospitals specializing in the reversal of diseases. A Naturopathic Physician and Clinical Hypnotherapist with an extensive background in psychology and ancient wisdom, Dr. Forrest enthusiastically blends science and healing with love and laughter. A pioneer in the field of healing degenerative diseases, she continues to prove that Spiritual Psychology and Energy Medicine are the treatments of the future. Dr. Forrest, gifted in many fields, has been teaching, healing and lecturing internationally for more than 40 years. For more information on Dr. Forrest please visit www.healingnow.com
