The Ancient Peruvian Medicine Wheel

Come experience the first day of the New Year in an exceptional way! The Ancient Peruvian Medicine Wheel will absolutely amaze you. It will tell you exactly what you experienced last year - the highs, the lows and the in-betweens - plus indicate where you are headed in 2011.

Initiation to the Great Central Sun

Also! For the first time ever Dr. Sharon has been given permission to perform the Initiation to the Great Central Sun. Up until now it has only been performed at the Intihuatana Stone in Machu Picchu. Phenomenal things happen... what will you experience? Come and find out. It is one of Dr. Sharon's phenomenas ... impossible to describe.
