

The Legacy of Spiritual Alchemy

Reversing Chronic and Degenerative Diseases
Psychoneuroimmunology

by Dr. Sharon Forrest

WORKSHOP – West Palm Beach
Saturday February 2, 2008
9am - 6pm

A presentation on the latest breakthroughs in holistic based medicine, Preventive Medicine, Psychoneuroimmunology and Spiritual Psychology.

Dr. Sharon Forrest is a leading expert in this newly emerging field of reversing diseases. “In the history of mankind there has never been a disease that somewhere, somehow someone has not totally healed. Can what they did work for you, a loved one or client? Is there any reason it should not?”

Dr. Forrest has an extensive background in naturopathic medicine, clinical hypnotherapy, transformational and spiritual psychology, counseling, parapsychology, ancient wisdom and holistic health. She is a pioneer in the innovative and powerful uses of regression therapy and bio-energetics to effect a lasting healing. She blends healing and science in a delightful combination of love, compassion and knowledge in presenting this powerful connection between the past and the present, the Mind, the Body and the Soul.
