Dr. Sharon Forrest, now in her late sixties, has been a healer since the age of 5, and has spent the last 30+ years teaching hands-on-healing healing and mind-body-spirit medicine worldwide. Dr. Sharon is a master healer/teacher, clinical transformational hypnotherapist and nutritionist with an extensive background in naturopathic medicine, transpersonal psychology and parapsychology. Many call her "The Life Changer", "Miracle Lady" and "Bratty Angel." Dr. Sharon blends healing and science with love and laughter in this powerful experience. Dr. Sharon has appeared on numerous TV shows and her work has been researched for years. Her clients include best-known personal growth, health and political leaders, actors, actresses and singers. Come and find out why.

Not just a workshop, it's an awesome experience!

CEU's available for Nurses ♥

- ♥ Since this workshop is very experiential be sure to wear loose, comfortable clothes (e.g. sweat-suit). Please bring your own water, a pillow and something to write on. We will have Pot Luck for Saturday and Sunday, so please bring something to share. Don't worry about what to bring, it always works out perfectly.

*"All things are possible until they are proved impossible –
and even the impossible may only be so, as of now."*
