Not just a workshop, it's an awesome experience!

CEU's available for Nurses ❤️

- Since this workshop is very experiential be sure to wear loose, comfortable clothes (e.g. sweat-suit). Please bring your own water, a pillow and something to write on. We will have Pot Luck for Saturday and Sunday, so please bring something to share. Don't worry about what to bring, it always works out perfectly.

"All things are possible until they are proved impossible - and even the impossible may only be so, as of now."

Testimonials:

* Sharon Forrest is above all else, one of the most dedicated professionals whom I have had the pleasure to learn from. I recommend her work whole heartedly and thoroughly endorse her programs." *Dr. Bernard L. MD*

* Dear Dr. Forrest, My good friend Lisa Chapman (a massage therapist) happened across the workshop last Nov. and signed up at the last moment. She said that it was amazing, and she immediately began incorporating her newly acquired skills into her practice with amazing results. She said I MUST go. Then last Tuesday I met two more women at a Reiki practitioner night we go to every month, which had also attended. They said that your workshop was nothing less than life altering. *Bonni Y*

* This is my second workshop with you and I have already incorporated many of your techniques into my private practice with great results. *Dr. George P. DC*

About the C.C.M.B.A.A. & C.C.S.M.C, one of the techniques you'll learn and experience.

Electro-magnetic phenomenon and DNA Clearing. Miracles do happen! Here's your chance not only to witness one, but to actually experience one! If you are a healer or in need of healing this is one of the best gifts you can give yourself.

Sharon Forrest, a healer since early childhood, blends healing and science with love and laughter. Sharon presents this remarkable Mind/Body Healing opportunity for those who are interested in experiencing the amazingly powerful CCMBAA "Complete Cellular Mind Body Alignment & Activation" and the CCSMC "Complete Cellular Soul Memory Clearing". Truly Electro-magnetic-phenomenon. Sharon, who has been teaching the CCMBAA worldwide for 30+ years, and now the CCSMC, is still in awe of what takes place in each session and how powerful and yet simple it is. It is claimed by researchers to be the most powerful 'Hands-On-Healing' Technique in the medical and spiritual fields today. Yes, you can learn how to do it in just 4 hours!

The Law of Grace, which takes precedence over the Law of Karma. The CCBMAA Energy works with the Higher Self on the individual's issues no matter what they are and get results! Apparently the Energy targets the problem wherever it exists and works on all levels, mental, physical, emotional and spiritual. Some will release deep seated emotional and physical trauma; others' bones will realign, some have chronic back/neck pain and/or scoliosis totally disappear; still others will release toxins and poisons from their system; others will have a divine spiritual awakening, others energized, some will let go of non-desirable habits, some increased healing abilities, and still others will gain a totally new outlook on life. What will be your experience? Come and find out!

There are several benefits from doing the CCMBAA & CCSMC often. Each time you experience the CCMBAA and CCSMC you will work on something different and you will experience something different, often on higher, deeper, more profound levels.
