Continuing Education Units available

Multi-disciplinary, multi-faceted approaches blending ancient wisdom and modern science

A Two Week Intensive ~ Aug. 22 – Sept. 4, 2008

Are you interested in progressive healing modalities, complimentary, alternative and integrative medicine, personal and spiritual growth and energy psychology? If so, take advantage of this exceptional and unparalleled opportunity to learn and experience the innovative, groundbreaking work of Dr. Sharon Forrest.

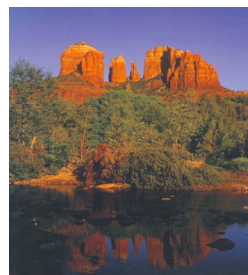

Is your goal to be able to quickly and accurately ascertain the underlying cause of a physical or emotional issue, immediately know how to correct it, achieve and maintain the highest possible level of emotional and physical health for you, your loved ones and/or clients? You can serve at the most profound level of healing and growth possible.

This **“Results Guaranteed”** retreat will acquaint you with powerful innovative healing approaches that work successfully with the innate wisdom of one’s own body.

This is your chance to awaken your own ‘inner healer’ and latent healing powers. Plus, learn extraordinary procedures that get results. Amaze yourself, your friends, loved ones and clients with your outstanding healing powers and insightful wisdom!

This unique event is a gateway of consciousness for healers, physicians, therapists, and people who are ready to expand their awareness and align with direct and lasting healing.

**Study with
Dr. Sharon Forrest
and Indigenous
People!**

**EXPERIENCE the
powerful Vortexes
of Sedona**

“Dr. Sharon Forrest is a pathfinder, trail-blazer and pioneer in holistic medicine, and spiritual psychology. She offers a newly emerging form of integrated health therapy whose time has arrived.” Roxanne Davis – Researcher

This is undoubtedly the best retreat experience on Complimentary / Alternative Medicine! And the best opportunity to discover the power of the mind-body-spirit connection in exceptional settings!
