

A RESULTS ORIENTED WORKSHOP
ABOVE & BEYOND THE CUTTING EDGE IN
THE SECRETS OF SPIRITUAL ALCHEMY
HEALING CHRONIC DISEASES & EMOTIONAL SUFFERING

West Palm Beach

Sat. February 2ⁿ 2008

from 9am - 6pm

This unique, experiential seminar on the latest breakthroughs in holistic based medicine, preventive medicine, psychoneuroimmunology and Spiritual Psychology will be facilitated by Dr. Sharon Forrest of Healthways Int., one of the leading experts in this newly emerging field of reversing diseases. Dr. Sharon is uniquely qualified as 28 years ago she was dying of lupus and receiving Last Rites and 16 years ago her daughter had MS and was in a wheelchair. Today both are vibrantly healthy as a result of applying the practice of psychoneuroimmunology and Psychocellular Communication Therapy a procedure Dr. Sharon developed. She was also co-founded and directed 2 research hospitals that specialized in reversing disease.

Alchemy is the ancient science of transforming base metals into gold. **Spiritual Alchemy** works with one's Inner Powers to transform the base metals of illness, unconscious emotions, traumas, unwanted patterns and conflicts into the gold of Self-Realization and Vibrant Health.

This life-changing, cathartic experience with Sharon Forrest is designed to give you the most effective Body-Mind-Soul tools available. A powerful healer and medical intuitive since early childhood, Dr. Sharon is internationally known and loved. In presenting this powerful connection between the past, the present, the mind, the body and the Soul. Dr. Sharon blends healing and science in a delightful mélange of love, compassion, knowledge and humor. Many call her "The Life Changer" and "Bratty Angel."

Dr. Sharon has an extensive background in naturopathic medicine, clinical hypnotherapy, transformational and spiritual psychology, counseling, parapsychology, ancient wisdom and holistic health. She is a pioneer in the innovative and powerful uses of regression therapy and bio-energetics to effect a lasting healing. Dr. Sharon assumed a leading role in the integration of complementary/holistic therapies and western medicine when she opened a hospital in Mexico. Many medical doctors, psychologists and psychiatrists come to her to address their own health issues and to enhance their practice. Many refer patients. Dr. Forrest continues her successes in reversing disease proving that Spiritual Psychology and Energy Medicine are well on their way to being the medicine of the future. The diversity of her studies testify to her quest for knowledge and understanding.

"In the history of mankind there has never been a disease that some where, some how, some one has not totally healed, can what they did work for you, a loved one, or client? Is there any reason why it should not?" - Dr. Sharon Forrest

Find the underlying cause of the problem. Learn powerful, innovative techniques to discover, in a day what other therapies habitually take years to accomplish. This is your chance to witness phenomenal healings. Perhaps you will experience one.

Inside each one of us there exists an infinite source of wisdom, healing energy and an unlimited reservoir of possibilities that are waiting to be awakened." Awaken these in you; then you can awaken them in loved ones and clients

Your investment \$150.00 CUEs for Nurses & Hypnotherapists

Not only a workshop it's a life changing and life enhancing experience!

This workshop is equally suitable for professionals and nonprofessionals. You will have many exceptional opportunities to uncover non-desirable beliefs, patterns, past-life events and 'womb perceptions' that still undermine your mental and physical health and affect all areas of your life. Healing grows in a warm, nurturing environment, with all the little kindnesses that whisper, "someone cares and understands." Come learn to heal and be healed!

Tel: 561-596-2727 La Flora @aol.com

"Since the beginning of time there has never been a disease that, somewhere, somehow, someone did not heal. Can what they did work for you or a loved one? Is there any reason it should not?" Sharon Forrest

★ Health professionals, people interested in the leading edge of alternative health care and/or spiritual psychology and frustrated patients will want to take advantage of this opportunity to learn the latest exciting developments in health care.

★ If you work with, or if you have or know someone who has a chronic illness that has defied all treatment attempts, then this special presentation could be life changing for you and them.

"Dr. Sharon Forrest is above all else, one of the most dedicated professionals whom I have had the pleasure to learn from. I recommend her work whole heartedly and thoroughly endorse her programs." *Dr. Bernard Lacroix M.D., N.D.*

Working, studying or listening to this amazing lady is an exceptional opportunity for both professional and lay-people and anyone interested in progressive, advanced healing modalities, and spiritual philosophies and enhancing all areas of their life. *Roxanne Davis- Researcher*
